Module 9

Solid Ground

AI in Business

your voice stays yours. AI works for you

IN THIS MODULE

What AI can do for solo business

Why it matters

What it can’t do

Prompting basics

Soul-Led check

AI

in solo business

Why it matters

when you're doing it alone

The Can’ts

just as important

Prompts

the basics

Soul-Led

the check in

THIS WEEK

Write down 3 tasks AI could support in your business

Write your first prompt - give it context

Do the soul-led check in: does it still sound like you?

Note what you want to keep in your own hands - why
