Module Twelve

Email List Building

Something you own. Something the algorithm can't touch.

YOUR FREEBIE CONCEPT

The problem it solves/information it shares:

_____

_____

The format - checklist/guide/audio/template:

_____

_____

What I'll call it:

_____

_____

STAGE 1 - BEFORE A PLATFORM

Start Here. No sign-ups or money required

- ☐ Spreadsheet created - name, email, date added, how they found me
- ☐ First contact added
- ☐ Sending method confirmed - Email BCC works up to 50 people

STAGE 2 - WHEN YOU'RE READY FOR A PLATFORM

Switch when your list hits 500-100, or when you want the welcome email to go out automatically

- ☐ MailerLite free account created (hanldes up to 1,000 subscribers for free)
- ☐ List imported
- ☐ Welcome email written and set to send automatically
- ☐ Sign-up form live

Module Twelve

Email List Building

Something you own. Something the algorithm can't touch.

DRAFT YOUR WELCOME EMAIL

Subject line _____

Opening - something warm, like talking to a friend

_____

_____

_____

What they can expect from you and the purpose of your emails

_____

_____

_____

One thing you want them to know right now

_____

_____

_____

_____

Soft close

_____

_____

EMAIL TOPICS

Don't overthink it. What do you already know that would be helpful to your email list?
