Module Thirteen

Making Decisions Alone

You know more than you think

BRING A REAL DECISION

What's a decision you're sitting with right now?

SOMATIC FIRST

Before your brain has an opion, what does your gut sense?

EXPANSION PROMPT

Am I looking for permission or for information? Be honest.

If you trusted yourself completely, what would you do?

VISUALISATION

Six months from not, having made this decision. For each outcome, write down how each version of you feels

VERSION A

Module Thirteen

Making Decisions Alone

You know more than you think

VERSION B

VERSION C

Which version felt like you?

ONE STEP

What's one decision you've been putting off that you could make this week?
