Module Six

Getting Paid

Set it up like you believe you deserve to be paid. Because YOU DO!

WORK OUT YOUR STARTING PRICE

Service/Offer _____

Time taken (inc. prep + follow up) _____

What I'd need per hour to feel worth my time _____

My STARTING price _____

VOICE NOTE EXERCISE

Say your price out loud. Say it again. Say it a third time but like you mean it.
What shifted by the third time?

_____

_____

_____

PAYMENT SETUP CHECKLIST

- ☐ Payment option live (PayID, Stripe, Paypal, Square)
- ☐ Test payment sent and received
- ☐ Invoice template ready - business name, ABN, date, description, amount, payment details
- ☐ I know when I send invoices - the day I deliver, every time, no exceptions

REFLECTION

Haveyou discounted before anyone asked? Where does this want or need come from? What does it bring up for you?

_____

_____

_____

AN HONEST NOTE

The money might not come in straight away. That's not faillure. That's building. Most businesses take longer than anyone admits, and doing it without a partner's income as a safety net makes that harder. You're allowed to know that and keep going anyway.
