- Judgement
- Slamming doors
- Defensive
- Being loud / making noise

REGULATION

- Cold water therapy
- High intensity exercise - HIIT, weights, boxing
- Shake your body
- Scream therapy
- Hit a pillow
- Write a letter to the situation / person - DO NOT SEND

JOURNALING

- What was the trigger / activator?
- What feelings does this bring up?
- How does your body feel right now?
- What do you want?
- What do you need?

INNER CHILD

I am here and you are safe to feel

You are safe · You are seen · You are heard · You are loved

Flight Mode

CAN LOOK LIKE

- Workaholic
- Over-thinker
- Anxiety, Panic, OCD
- Difficulty sitting still
- Perfectionist
- Avoidance / Distractions
- Hyperactivity
- Sadness in loneliness

REGULATION

- Deep belly and diaphragmatic breathing
- Power walk
- Shake your body
- Grounding
- Yin Yoga
- Consciously placing hands on your body to connect

JOURNALING

- What are you avoiding?
- What feelings does this bring up?
- What do you want?
- What do you need?

INNER CHILD

I am here and you are safe to feel

You are safe · You are seen · You are heard · You are loved

Fawn Mode

CAN LOOK LIKE

- People pleaser
- Overwhelmed
- Ignoring own feelings
- No boundaries
- Lack of identity
- Codependent
- Appeasing
- Engaging in self-critique

REGULATION

- Place and enforce boundaries
- Shake your body, disperse the energy
- Check in with your emotions

JOURNALING

- Identify the boundary that was crossed / activator
- How can you enforce this boundary next time?
- How does your body feel right now?
- What feelings does this bring up?
- What do you want?
- What do you need?

INNER CHILD

I am here and you are safe to feel

You are safe · You are seen · You are heard · You are loved

Freeze Mode

CAN LOOK LIKE

- Difficulty expressing emotions
- Feeling stuck
- Dissociation / Spacing out
- Isolating
- Numb / Shut down
- Exhaustion
- Indecision
- Sleeping a lot

REGULATION

- Deep belly and diaphragmatic breathing
- Check in with yourself on all levels - physical, emotional, mental
- Singing and dancing
- Self massage
- Yin Yoga
- Post regulation: continue the techniques that keep you in connection with your body

JOURNALING

- What was the activator?
- How does your body feel right now?
- What do you want?
- What do you need?

INNER CHILD

I am here and you are safe to feel

You are safe · You are seen · You are heard · You are loved

Going Deeper

Whatever your response is when you find your nervous system in any of its protective modes, acknowledge without judgement. This lets your body and inner child know that you are safe.

Repetition is key. The more you practise, the easier it becomes to recognise an active state and regulate back to a place where calm becomes your baseline - rather than exhaustion and chronic stress.
