- Love is eternal
- Loves makes me free
- I am willing to go beyond my limitations to express and experience greater joy
- I am willing to take the next step in my life
- I am divinely protected and guided
- All life supports me now
- Love surrounds me, protects me, and nourishes me
- I go beyond limiting beliefs and accept myself
- I acknowledge that my source of love is within me
- I am responsible for the quality of love and joy that I have in my life

Going Deeper

Understanding your chakras is one thing. Learning to actually feel them, work with them, and move energy through them is something else entirely.

The chakra system is alive in your body right now - responding to stress, emotion, and everything you carry. The more you work with it, the more you come to trust what you feel.
