

SOLID GROUND — BONUS RESOURCE

Client Inquiry Templates

What to say when someone reaches out — so you don't lose the booking because you didn't know how to reply.

FROM ENERGY WITH JESS · ENERGYWITHJESS.COM.AU

The rule: Reply within 24 hours. People who enquire are in a moment of readiness — the longer you wait, the more that window closes. You don't need a perfect response. You need a prompt one.

TEMPLATE 1

First Reply to an Inquiry

EMAIL / DM RESPONSE

Subject: Re: *[their name]* — *[your service]*

Hi *[Name]*,

Thanks so much for reaching out — I'd love to tell you a bit more.

[One sentence about your service and who it's for]

Here's what a session looks like:

- *[Duration and format — e.g. "60 minutes, online via Zoom"]*
- *[What happens in the session]*
- *[What they walk away with]*

Sessions are \$*[price]*. *[Add availability]*

The easiest way to book is *[booking link or payment link]*.

Any questions, just reply here — I'm happy to chat before you commit to anything.

Warm,

[Your name]

TEMPLATE 2

Follow-Up (3-7 Days Later)

Most people don't follow up because it feels pushy. It's not. They're busy. A gentle nudge shows you care — and often that's all it takes.

FOLLOW-UP EMAIL / DM

Subject: Just checking in — *[your service]*

Hi *[Name]*,

Just circling back in case my last message got buried!

[One line reminder of what you offer]

No pressure either way — happy to answer any questions if that helps.

[Your name]

TEMPLATE 3

When They Say "I'll Think About It"

RESPONSE

Of course — take your time.

I'm here when you're ready. If any questions come up in the meantime, just reply.

[Optional: add something relevant — e.g. "I do have limited spots in July, so let me know if timing matters for you."]

Practitioner Add-Ons

Swap these into Template 1 where it says "Here's what a session looks like" — or add as extra context below your main reply.

Energy Healing / Intuitive Healing

I work intuitively — meaning each session is shaped around what comes up for you on the day, rather than a set structure.

Sessions are held *[in person / online]*. For distance sessions, you just need a quiet space where you can rest for the duration.

After the session I'll send you a voice note with what I noticed and anything that came through.

Reiki

Reiki is a gentle energy healing practice that works with your body's natural ability to find balance. You don't need to believe in it for it to work — you just need to be open to it.

[In person:] You'll lie fully clothed on a massage table. I'll place my hands lightly on or above your body. Most people feel deeply relaxed.

[Distance:] You'll be in your own space. I'll hold the session energetically — it's just as effective.

Tarot / Psychic Readings

Readings are *[15 / 30 / 45 / 60]* minutes. We connect *[via Zoom / via voice note / in person]*.

You don't need to prepare questions — but if there's something specific you want to explore, feel free to mention it at the start.

[Optional:] I'll record the session so you can come back to it. The link is available for 30 days.

Massage / Myotherapy

Sessions are held at *[your location / clinic name]*.

What to bring: comfortable clothing, or you're welcome to undress to your comfort level — you'll be draped with a sheet throughout.

Please arrive 5 minutes early for your first session. If you have any injuries or areas to avoid, just let me know before we start.
